

I am helping to create six regional music and arts festivals to be held in 2018 at the NEW Hickories Park Amphitheater in Owego, NY. The park is conveniently located at Exit 65 off of routes NY17/Interstate 86.

These much anticipated events are themed. We have formed an advisory panel for each comprised of local community leaders. I am part of at least one of these panels. Together we are all instrumental in creating each event as we select performers and vendors. We are also working with nonprofits which will benefit financially. Now we are also reaching out to other community leaders, such as yourself, for support and sponsorships.

Our creative teams have assembled a variety of unique opportunities and are also able to custom fit an event to address your marketing/promotional/advertising needs. You might also consider involving others in your organization for a company outing or celebration.

We have so much to offer that it is impossible to list everything in this message. Here are just a few:

- **Company/Private Pavilions** overlooking the stage and the festival grounds.
- **Stage and Speaker Tower Custom Banners.**
- **Branded Tickets, Wristbands and more!**
- **Exhibit Space** on the grounds.
- **Inclusion in Radio, Print, Social Media Campaigns, etc.**

I hope we have piqued your interest and you will visit [www.NoTuxedoLLC.com](http://www.NoTuxedoLLC.com) for more information. We are also on facebook and most social media.

Thanks for taking a look at this information. Community acceptance has been overwhelming so far and I know you will also be excited when you find out more! Lets get together in the next couple days and chat about ways you will benefit from being involved with us. Let's think outside the box and get your organization some attention you deserve! We will create something remarkable just for you.
